Sir:

This responds to the June 8, 2007 Office Action in the above-identified application. The time for responding to the June 8, 2007 Office Action without extension was set at three months, or September 8, 2007. Because September 8, 2007 fell on a Saturday, such deadline is automatically extended to Monday, September 10, 2007 through the operation of 37 CFR 1.7. This response is therefore timely. Please enter this Amendment and Response into the file of the above-identified application.

Please amend the claims of the above-identified patent application as set out in **Section I, Complete Listing of the Claims**, beginning on page 3 hereof.

Reconsideration of the application in view of the amendments to the specification and claims, and the ensuing remarks set out in **Section II, Remarks**, beginning on page 7 hereof, is respectfully requested.
